

RISHABH SINGH

Jaipur, RJ, India 302017 | +918423121893 | rishabhsingh.fin@gmail.com

Personal Summary

Expert GIS Engineer with 6 years experience and strong foundation in analysis of sustainability and infrastructure planning. Skilled in managing geo-spatial data, statistical and geographical analysis along with knowing sustainability standards and incorporating the same to lower emissions via infrastructure planning. Tool expertise: Python, R, ArcGIS Pro and Enterprise, and QGIS along with GIS scripting workflows. Proven track record in delivering insightful geo-spatial web-apps, reports, and data-driven solutions to clients and organizations needing sustainability and infrastructure planning via spatial analytics.

Skills

- Geospatial Data management
- ArcGIS Pro and QGIS
- Data Analysis
- PostgreSQL and AWS
- R programming
- MS Excel
- ArcGIS Python and JS API
- Web Scraping
- Google Earth Engine
- ML and AI
- Web Apps
- Python Programming

Experience

- | | |
|---|--|
| Data Engineer (Full Time)
InstaDigin | 03/2025 to Present
Jaipur, RJ, IND |
| <ul style="list-style-type: none">• Working with ArcGIS Pro to optimize the mining workflows like creating slice plans, mining haul road analysis, stockpile volume calculation, 3D visualization of mining sites, heatmap creation, etc• Worked with IOT devices and visualization in real time of mining trucks and analysis on the same.• Projects: UTCL mining optimization, Integrating ArcGIS and QGIS web maps on SaaS platform. | |
| Data Analyst (Full Time)
PlanRVA (Regional Planning Organization) | 03/2023 to 08/2024
Richmond VA, USA |
| <ul style="list-style-type: none">• Applied various statistical methods, such as hotspot and coldspot analysis, spatial regression models for environmental and transportation planning, disaster preparedness programs as well as demographic analysis of Richmond and surrounding 8 counties of Virginia.• Projects: Scenario Planning (future forecasts), regional indicators (demographic data visualization using web dashboards), Survey answer scoring (NLP), etc. | |
| Sustainability Fellow (EDF Fellow Internship)
WSP USA | 06/2022 to 08/2022
New York USA |
| <ul style="list-style-type: none">• Created a pricing framework supporting substantial growth in green revenues.• Developed a detailed strategy for transitioning to 100% green electricity. | |
| Research and Teaching Assistant
Cornell University | 02/2021 to 12/2022
Ithaca, NY, USA |
| <ul style="list-style-type: none">• Research project on changing commute choices in the past 30 years in NYC.• Teaching assistant for the course – Advanced GIS.• Teaching Assistant for the course – Urban Data Science. | |
| Planning Assistant (Internship)
ITCTC (City Planning Organization) | 05/2021 to 08/2021
Ithaca, NY, USA |
| <ul style="list-style-type: none">• Utilized advanced Excel features for optimizing primary budgeting application. | |

Assistant Manager - EHS (Full Time)

06/2018 to 09/2019

Vedanta Ltd

Jharsuguda, Orissa, India

- Managed environmental programs for ensuring environmental compliance in 2 plants.
- Led calculation and reporting processes for Scope 1 and 2 greenhouse gas emissions.
